

SCHOOL SUPPLIES - Academic Year 2023/2024

SECONDE CLASSES

As part of our efforts to reduce the weight of school bags and in line with what we teach students about sustainable development, you will find the new list of school supplies. You can purchase the supplies locally, opt for recycled paper, or reuse an unfinished notebook from the previous year.

The head teacher will inform students at the start of the school year about the supplies to bring for the orientation sessions.

| | |
|---|---|
